Summary of Benefits and Coverage: What this <u>Plan</u> Covers & What You Pay For Covered Services Delaware River & Bay Authority: PPO

Coverage for: Individual/Family

Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, <u>www.highmarkbcbsde.com</u> or call 1-800-633-2563. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.HealthCare.gov/sbc-glossary/</u> or call 1-800-633-2563 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0 individual/\$0 family <u>network</u> . \$300 individual/\$900 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Emergency room care</u> and <u>emergency</u> <u>medical transportation</u> are covered before you meet your out-of- <u>network deductible</u> . <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the out-of- <u>network deductible</u> .	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/ <u>preventive</u> -care-benefits/.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$0 individual/\$0 family <u>network out-of-pocket</u> <u>limit</u> , up to a total maximum out-of-pocket of \$8,700 individual/\$17,400 family. \$1,500 individual/\$4,500 family out-of- <u>network</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out–of–</u> <u>pocket limit</u> ?	<u>Network</u> : <u>Premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover do not apply to your total maximum out-of-pocket. Out-of- <u>network</u> : <u>Copayments</u> , <u>deductibles</u> , <u>premiums</u> , balance-billed charges, <u>prescription</u> <u>drug</u> expenses, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.highmarkbcbsde.com</u> or call 1-800-633-2563 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your overall **<u>deductible</u>** has been met, if a <u>**deductible**</u> applies.
